**DOCKET NO. 05-00059**  
**PETITION FOR CORPORATE NAME CHANGE FROM**  
**OPERATOR SERVICE COMPANY TO OPERATOR SERVICE COMPANY, LLC**

- 7 Clarify if control of Operator Service Company, LLC has already been transferred from BC Holding III Corporation to Onslow Holdings, Inc

Yes, control transferred at the end of 2004

- 8 Indicate if statutory basis of the requested relief derives from TCA Section 65-4-112 or TCA Section 65-4-113 Please explain rationale for requesting relief under the respective statute.

Due to conversations with Commission staff over two years, we did not request relief under either statute for the stock transaction. This transaction affected all states in which OSC operates and has been consummated. It appears that under current interpretation of the rules, OSC should have requested authority under Section 113 because this was effectively a transfer of approximately 49% of the company's stock and subsequent reorganization to an LLC. The relief requested herein is a name change. Based on recent conversations with Staff, we are also requesting relief under Section 113 for post-transaction approval of the transfer of stock.
